

Finnish 3 (5 ECTS)

The course meets twice a week. In addition, there is a large amount of homework. Students read, write and talk about familiar topics: student life, hobbies, Finland, one's home country as well as national holidays. The grammar issues include all past tenses (especially perfect and pluperfect), the *i*-plural (*taloja, talojen, taloihin, taloissa*), the conditional (*isi* marker), the imperative and the passive in present tense.

Regular class attendance (over 80%) is highly recommended. The course will be assessed on a scale of 0–5. The assessment will be based on a final examination and possible course tasks, as well as on participation during the course.
