Finnish 5

After finishing the course, you will be able to give a brief presentation and write a CV and a job application in Finnish. The aim is also to practise different ways of expressing your opinion and develop fluent oral communication. The grammar discussed covers participles.

Regular attendance (over 80%) is highly recommended. The course will be assessed on a scale of 0–5. The assessment will be based on a final examination and possible course tasks, as well as participation during the course. NB! In order to be able to continue to Finnish 6, you have to achieve grade 3, 4 or 5 on the final exam.
