

## Finnish 5 (5 ECTS)

The course meets twice a week. In addition, students are responsible for a large amount of homework. After finishing the course, you will be able to give a brief presentation and write a CV and a job application in Finnish. The aim is also to practice different ways of expressing your opinion and develop fluent oral communication. The grammar discussed covers participles.

Regular class attendance (over 80%) is highly recommended. The course will be assessed on a scale of 0–5. The assessment will be based on a final examination and possible course tasks, as well as participation during the course. NB! In order to be able to continue to Finnish 6, you have to achieve grade 3, 4 or 5 on the final exam.
