The course meets twice a week. In addition to the lessons, the students will be responsible for a large amount of homework. In addition to the course book, the course material consists of authentic texts, which are read and analysed. During the course, you will also write many different kinds of texts. You will become aware of the differences between written and spoken language, and you will be able to choose a suitable way to speak and write in different kinds of communication situations. The grammar covers, e.g., non-finite structures and some less frequent grammatical forms.

Regular class attendance (over 80%) is highly recommended. The course will be assessed on a scale of 0–5. The assessment will be based on the final examination and possible course tasks, as well as on the participation during the course.
