

## Finnish for Exchange Students: Continuation Course (5 ECTS)

The course meets twice a week for two periods (from January to May). In addition to the lessons, there will be quite a lot of independent study. The course includes exercises on everyday conversations.

**The main topics** are living and home, talking about yourself and your past, and making plans. The following grammar issues are discussed: possessive structure, object case marking, some infinite verb forms, and past tenses.

**The course will be assessed** on a scale of 0–5. The assessment will be based on a final examination and possible course tasks, as well as on participation during the course. Please note that one can only attend the final exam if one has participated in at least 75 % of the lessons.
