

Finnish for Exchange Students (5/3 ECTS)

The topics include introducing and talking about yourself and your family, greetings, getting to know useful phrases when shopping or eating, telling the time, and talking about the weather. The topics also include daily activities, living, transport and the immediate surroundings.

The goal of the course is not only to get familiar with the Finnish language you hear in everyday life, but also to get a glimpse of Finnish culture.

The course will be assessed on a scale of 0–5. The assessment will be based on a final written and oral examination and possible course tasks, as well as on participation during the course. Please note that you can only attend the final exam if you have participated in at least 75% of the course. In addition to the attendance in class, students are required to do homework.
