Meeting people and making friends

- Create Zoom sessions to meet up
  - Studies: study groups with your classmates
  - Free time: game/movie nights, cooking, book clubs
- Abundance of hobby opportunities
  - City of Helsinki, organisations, FB groups
- Various Facebook groups for meeting like-minded people
- Alice programme at the Language Center
- [Student organisations](http://www.helsinki.fi)
- [HYY’s own Discord server](http://www.helsinki.fi)
Student Union’s presentation
Mingling in breakout rooms

- Discussion in breakout rooms for about 5 min, then everyone gets back to the main room
- In the main room, you can ask questions; we’ll also give ideas for the next discussion round
- New rooms!

It’s a good idea to do a short introduction round at first when you’re in a new group!
- e.g. your name, where are you from, what do you study

Ideas for discussion

• What are you most looking forward in Helsinki / Finland?
• How did you choose your major? What do you want to do in the future?
• What do you enjoy doing during your free time? What are your hobbies and interests?
• What do you appreciate about your home country? e.g. fun events, delicious food, customs?
• What’s your favourite food, book, movie, etc.?
• Do you have any plans for this winter and spring?
• Do you know any Finnish or are you going to learn it? What other languages can you speak?
