

Write and Discuss I (5 ECTS)

The course is intended for degree students at the University of Helsinki who are completing or who have completed the courses Finnish 3 or Finnish 4 or who otherwise have a sufficient level in Finnish (CEFR A2). The aim is to strengthen and activate the student's language skills to improve both oral and writing skills. The participants practice speaking and writing in Finnish and discuss various everyday life topics. In addition, the course consists of listening and reading tasks, which will support the student's own productive tasks. To complete the course, student needs to attend the classes regularly (at least 75 %) and to do the given homework. Grading 0–5.
