

**Instructions to write the Research plan for the 10 ECTS Research project
(GMB-005 and GMB-008)**

The 1-2 page document should include the following information:

Student name:

Title of the project:

Supervisor(s):

Research group:

Site of research:

Schedule:

The actual research plan should include Introduction/Background, Aims, and Implementation plan (i.e. experimental design, materials and methods), and references if relevant (no long list is needed, but you may include a couple of references for Introduction / Key methods).
